Why should you attend the 2015 Grassroots Gathering?

Celebrate 20 years of grassroots organizing in Virginia | **Share** your accomplishments with others working toward the same goals | **Meet new people** from different chapters, organizations, and parts of the country | **Learn something new** through participatory workshops, engaging speakers, and expert panels | **Relax** during down time in a pool, rocking chairs, coffee shop, basketball court, or with plenty of games.

Registration will open in January, but you can RSVP now by contacting Nik Belanger at 434-709-4953 or nik.belanger@virginia-organizing.org.

The full cost for the weekend will be around \$120. We ask that everyone pay what they can to help share in this cost, but please do not let the expense be a barrier to your participation.
